

## **ST. MARK BAPTIST CHURCH COVID-19 NOTICE**

We want to inform you that in response to the COVID-19 pandemic, St. Mark Missionary Baptist Church is implementing safeguards to protect the health and well-being of our members, visitors, and the community. We are adhering to Centers for Disease Control (CDC) protocols and therefore, we have made the decision to limit the number of members as well as visitors to our building and church edifice.

Members and visitors will be limited to those who have made a reservation to attend a worship or meeting who have obtained a confirmation approval from The Pastor, his designee, or an approved administrator only. Also, for confirmed individuals, please note that you should not attend under any circumstances if you are ill and/or experiencing flu-like symptoms.

Given the evolving nature of the pandemic, we will frequently and carefully reassess the situation, and share any updates as it relates to the attendance policy. Please continue to take precautions to stay healthy and safe. We encourage everyone to refer to the Centers for Disease Control's recommendations around COVID-19 precautions: [CDC.gov](https://www.cdc.gov).

Thank you for your understanding and cooperation during this difficult time. We look forward to welcoming you back into our edifice in the very near future.

Stay Well & Be Blessed,

**Rev. E. Allen Redwell Jr.**

Pastor
